LADIES FOOTBALL CONSENT FORM

Dear Parent /Guardian

As you may be aware Eoghain Rua Uí Néill CLG Leac Phádraig is totally committed to the welfare of our young players.

Our main priority is providing an environment which will allow these young players to perform to the best of their ability free from bullying and intimidation.

As part of this commitment, the Eoghain Rua Committee have recommended the adoption of a Code of Good Practice for our underage players (all Individuals under the age of 18) and will require parental consent.

The Code requires parental/guardian consent to enable each child to play at a level above their recommended age group. It is paramount that this consent form is completed and returned by each parent/guardian and held appropriately as stated within your Club guidelines.

A copy must also be sent to the Eoghain Rua Child Protection Officer. If not completed and returned, this will affect each child's participation in playing at levels other than their recommended age group.

If you have any queries regarding this issue or any concerns regarding Child Protection please do not hesitate to get in touch on 71 398042 or 07730567613.

Thank you for your continued support.

Yours in sport
Brenda Barr

Children's Officer - Eoghain Rua Uí Néill CLG Leac Phádraig
